

## Journal Overview

*Excellence in Higher Education (EHE)* is a sustainable research initiative established with the generous support of the U.S. Agency for International Development (USAID) as part of its Decentralized Basic Education 2 Project in Indonesia. *EHE* is the first English language academic journal in the field of higher education in Indonesia and is sponsored by the Consortium of Indonesian Universities–Pittsburgh (KP-TIP: Konsorsium Perguruan Tinggi Indonesia–Pittsburgh). The journal is a product of the Consortium’s continued commitment to the quality and innovation of Indonesian education. To this end the Consortium works to create sustainable national, regional, and global partnerships to meet national education reform mandates. *EHE* is published by the University Library System, University of Pittsburgh.

## Focus and Scope

*EHE* encourages diverse points of view with international perspectives, creating a forum for the sharing of research on issues pertaining to higher education. The goal of *EHE* is to enable readers around the world to explore Indonesian and global higher education traditions and contemporary patterns in a global context. *EHE* is an international, peer-reviewed journal that seeks to publish scholarly articles on research projects that can significantly contribute to theory development, policy and practice. *EHE* covers all areas of education research, with a focus on higher education management, active learning, interdisciplinary research, and with a broad Indonesian and international context. *EHE* aims to reach a wide range of readers including scholars, practitioners, policy makers, development partners, and students of education.

The journal’s scope is broad in both methodology and content. Articles employ a range of qualitative, quantitative, and mixed research methods. *EHE* contributions include analyses of education discourse, policy and practice from interdisciplinary perspectives and their implications for higher education management, policy, research, teaching, and learning.
